Deus in adiutorium meum intende: domine ad adiuuandum me festina. Confundantur & reuereantur omnes qui querunt animam meam. Auertantur retrorsum & erubescant qui uolunt mihi mala. Auertantur statim erubescentes qui dicunt mihi euge euge. Exultent & letentur in te omnes qui querunt te: & dicant semper magnificetur dominus qui diligunt salutare tuum. Ego uero egenus & pauper sum: Deus adiuua me. Adiutor meus & liberator meus es tu: domine ne moreris. Gloria patri. Saluos fac seruos tuos.
